

**Dr. Rajesh M Nathani**  
**Laparoscopic Pediatric Surgeon & Pediatric Urologist**  
**MS, MCh (Pediatric Surgery)**

Dr. Rajesh R. Nathani is a Pediatric Surgeon with experience of over 15 years in private practice in Pediatric Surgery & Pediatric Urology.

Dr Nathani has been trained at premier institutes in Mumbai like the KEM Hospital, BYL Nair Hospital and the B J Wadia Hospital for Children in Mumbai. He has worked as Pediatric Surgery Registrar for over five years. He has been regularly visiting the best centers for Pediatric Surgery & Pediatric Urology in the US over the last 15 years. This has given him an opportunity to interact with the best of minds in the field and keep abreast with the latest trends and developments.

After returning from his training at USA, Dr Nathani was appointed as Consultant at Guru Nanak Hospital, Bandra, Holy Family Hospital, Bandra and the Lion Tarachand Bapa Hospital, Sion. Dr. Nathani joined Wockhardt Hospitals in April of 2003. His main field of interest is minimally invasive surgery in children both laparoscopies and thoracoscopies.
